THANK YOU!

Hello John,

I am enormously grateful to you for the stunning pair of prescription glasses your team prepared for me. You are absolutely right, they are life enhancing! I can't believe I've gone this long without. Normally I would have just worn regular sunglasses and accepted a slight loss of vision, what a mistake! From my early morning runs to long afternoon drives, these make all the difference.

I also want to add that never have I encountered such a comprehensive battery of eye tests but above all the service of your team is exceptional. They are friendly, smiling and always helpful. No wonder your practice is always busy.

Thank you again!

Warm regards,

Justin Cohen
